LEON FOR CONGRESS MD-08

## FOR IMMEDIATE RELEASE

November 5, 2024

# STEPHEN LEON ANNOUNCES CAMPAIGN FOR THE HOUSE OF REPRESENTATIVES IN MARYLAND'S 8<sup>TH</sup> CONGRESSIONAL DISTRICT

Stephen Leon cordially announces that he is running in the Democrat Party for Maryland's House of Representatives 8<sup>th</sup> District, which includes Montgomery and Prince George's Counties. Election Day for the 120<sup>th</sup> Congress is set forth on **November 3, 2026**.

After an unsuccessful run for the 119th Congress in Virginia's 8<sup>th</sup> District as a left-leaning, Independent write-in Candidate, Stephen Leon continues his aim with an advanced agenda, which is not limited to: mitigating Plutocracy from elected government with the American Anti-Corruption Act, establishing a Digital Democracy Project, resolving Climate Change with reasonable enactments to the Financial Sector, amendments to the Affordable Care Act, Prenatal Volition balance between Federal & State, protecting jobs from Artificial Intelligence, broad-scope Socioeconomic improvements, and promoting Media Literacy.

Stephen Leon brings an abundance of skill sets from various Private Sector industries. Predominantly, over 15 years in the field of Intellectual Property Law, where he also possesses an impressive portfolio which consists of many Intellectual Property assets ranged from energy infrastructure, lifestyle products, and fashion novelties.

*"From several years of Independent research, knowledge of industry, canvassing of the major Political Parties and non-profit organizations, I have assembled a platform that advocates viable resolution for the common interests of not just our District, but for the country at-large. I am always open to discuss new ideas that will benefit the People, principled of a General Welfare & Fiscal Responsibility balance. I know that is best for the Country right now and the foreseeable future."*
